NEW TESTAMENT BAPTIST MISSIONS

Monday, April 1, 2024

Dear Friend of the Gospel,

What an exciting year for evangelism, outreach, and serving missionaries and churches!

In June, I am leading two trips to Scotland with two dozen people from a dozen churches to come with me to distribute 30,000 John and Romans door-to-door.

After ten days of letterboxing, we will hold three different Gospel outreach events—several Gospel meetings in the evenings, a one-day community outreach in a central park, and a multi-day Vacation Bible School event. Each effort is designed to reach the population of greater Dumfries, Scotland.

This trip is about the Gospel and Souls and not leisure and sightseeing. The graphic shows how Europe needs the Gospel. Only a fraction of a percentage difference between Asia and Europe of those who profess Christ exists.

It does not even seem right or fair that the region of the world that sent us the Gospel is now morally and spiritually bankrupt.

This is See the Harvest's most extensive outreach, and I need God to show up strong for Scotland's Souls.

Would you pray with me that God will meet the financial needs by June 1, 2024? I believe God will meet the \$15,000.00 need. It is more than the simple math of fifteen churches giving a thousand dollars. It is a matter of Souls who need to hear and see.

I need God to supply the funds for:

Printed Literature:

- John and Romans: Shipping, Personalized Color Covers with the church name
- Tracts — We are having tracts printed in the UK to save money
- Storage Lockers will ship the literature to the travelers as extra checked bags
- Ongoing COVID delays in the shipping industry kept us from shipping the literature to Scotland by boat
- Gospel invitations

Events:

- Facilities Rental
- Food for the outreach events
- Equipment Rental
- Transportation

The Workers:

- We have three people who will help lead and cook food for the teams
- My travel for both trips

The above fees are above and beyond the cost the travelers pay. The twenty-four travelers pay their way by faith, costing \$3500. Their investment covers their travel, food, transportation, and living expenses.

When I was a teenager, my father had an expression, *“If prayer and faith cannot get it, we do not want it!”* This request is a huge step of faith and a request of God to do exceeding abundantly above all I could ask or think. **Will you pray and believe God with me.**

I know your investment in the seed of the Gospel, the workers of the Gospel, and the work of the Gospel will yield a harvest.
